Attendance Policy:
1. All students are expected to participate in Module discussions. Students are
   responsible for all that transpires in class discussions whether or not they are in
   attendance. The college defines excessive absence or lateness as more than the
   equivalent of one week of class meetings during the semester. Excessive absence
   or lateness may lead to failure in a course or removal from class roster. An
   instructor may remove a student from the class at any time when, in the judgment
   of the instructor, absences have been excessive or other valid reasons exist.
Term written report
Each week students are to research an article reporting a Computer/Cyber Crime. Students should identify the source of the article and provide a summary highlighting the key points covered in the article. All articles and reports should be maintained in a notebook. A total of 13 articles should be submitted for full credit. Each written report must be type written, at least half of a page and should consist of well structured paragraphs. This will satisfy the minimum five pages written report requirement.
