The Assembly is representative of the Campus community. It is the agency of the faculty in the exercise of that group's academic voice and responsibilities. The Assembly shall make recommendations regarding academic policies and faculty and student welfare subject to the stipulations and actions of the Board of Trustees of the College, the County Legislature and the State University of New York.

--from the Grant Campus Academic Assembly Constitution

To read the Constitution in its entirety, go to our website: www.sunysuffolk.edu/governance

YOU CAN MAKE A DIFFERENCE by being an active member of the assembly!

- Attend Assembly meetings and vote on critical issues
- Volunteer to serve on a committee, an integral part of academic life
- Learn how the administration of the college works from the inside
- Meet and work with faculty members from other departments and other campuses
- Talk to members of the Executive Committee and share your concerns and ideas
- Stay informed on current activities and issues affecting the Grant Campus
