   Helen Wittmann, Eastern

SUBJECT:  2014-2015 SUNY CHANCELLOR’S AWARDS

Nominations are now being accepted from all members of the college community – faculty, staff,
administrators, and students – for the 2014-2015 SUNY Chancellor’s Awards for Excellence in five
different categories, and the Distinguished Faculty Ranks in four different categories. Through these
awards, SUNY and the College publicly proclaim their pride in the achievements and personal
dedication of the faculty and professional staff. Conferral of the award acknowledges and
underscores the College’s appreciation of the recipients’ commitment, intellectual vibrancy,
contribution to advancing the boundaries of knowledge, and leadership as a role model in the ongoing
pursuit of excellence.

SUNY Chancellor’s Awards are offered for excellence in librarianship, professional service,
scholarship and creative activities, teaching, and faculty service. Details of the selection criteria and
the eligibility requirements for all of these awards may be obtained from any of the campus
governance chairs or online at: www.sunysuffolk.edu/Governance or
www.suny.edu/facultySenate/chancawdsexcl.cfm

The Distinguished Faculty Rank (DFR) programs recognize and reward SUNY’s finest and most
accomplished faculty. The Distinguished Professorship (DP), Distinguished Service Professorship
(DSP) and Distinguished Teaching Professorship (DTP) are three of the four designations that
constitute this highest system tribute conferred upon the SUNY’s instructional faculty. The other
designation is Distinguished Librarian. Details of the selection criteria and the eligibility requirements
for all four ranks may be obtained on line at
http://www.suny.edu/provost/academic_affairs/Dist_Prof_Awards.cfm

To nominate a candidate, please forward a completed nomination form, located on the Governance
website, to the governance chair representing your nominee’s home campus, no later than April 18,
2014:
