There will be NO ACCESS to the STUDENT INFORMATION SYSTEM from June 3-10, 2010 due to a System Upgrade

What You Need To Know:
The College will be upgrading the Student Information System (Banner) from June 3rd through June 10th, 2010. During this time, students will NOT be able to:

- Register for classes
- Request transcripts
- Pay bills
- Access online data related to student enrollment and records

Although Banner will not be available, students WILL be able to:

- Log into MySSCC
- Access the D2L platform
- Access email

What You Need To Do:
In order to process transcript requests and applications before the system becomes unavailable, students must:

- **CURRENT STUDENTS**: Request and pay for official transcripts by May 28th
- **PROSPECTIVE STUDENTS**: Access the online admissions application by May 28th and follow this link for more information

What You Can Do For More Information:
Between June 3rd-10th, students will still be able to visit with college personnel for in-person assessments and curriculum counseling.
