FACILITIES USE POLICY

I. Introduction

The primary purpose for the facilities at Suffolk County Community College is to fulfill the mission and vision of the College. The College is committed to being a vital resource to the larger community. Thus, subject to the guidelines set forth below, the College welcomes community groups and organizations to use its facilities for purposes compatible with the College’s mission, as solely determined by the College.

II. General Guidelines Applicable to Use of All College Facilities and Properties

A. Insurance Requirements

All organizations must submit a certificate of insurance evidencing comprehensive general liability insurance in the amount of $2 million combined single limit for bodily injury and property damage per occurrence for the period of the proposed event.

If two or more organizations are sponsoring one event, either one may obtain the certificate, provided that the other organization is named as an additional insured on such certificate. If the event is co-sponsored by a College club, organization or department, the outside organization may still be required to provide a certificate of insurance. At the discretion of the College, occasional seminars and meetings of small groups may not require certificates of insurance.

All certificates of insurance must name both the College and the County of Suffolk as additional insureds. Certificates of insurance for the use of the College’s Culinary Arts and Hospitality Center must also name the Suffolk Community College Association, Inc. as an additional insured. In addition, all certificates of insurance must be reviewed and approved by the College’s Office of Legal Affairs before an organization’s event can be approved.

B. Indemnification

Organizations shall indemnify and hold harmless the College, the Suffolk Community College Association Inc. (when appropriate) and the County of Suffolk, their consultants (if any), employees, agents and other persons from and against all claims, costs, judgments, liens, encumbrances and expenses, including attorneys’ fees, arising out of the organization’s use of the College facilities or out of the acts or omissions or negligence of the organization, its agents, employees or subconsultants in connection with the use of College facilities.
C. **Reimbursement for Loss or Damage**

Organizations requesting use of College facilities shall promptly make payment for the loss of or damage to any College facility resulting from the organization’s use of the facilities. The Executive Dean or designee shall inspect the facilities after the organization’s event and, if applicable, will notify the organization of the payment due for any loss or damage. At the College’s discretion, the College may require the organization to provide a security deposit prior to the event.

D. **Facility Use Fees**

Payment for the use of College facilities must be made in accordance with the Schedule of Fees adopted by the Board of Trustees and must be paid prior to the use of the facilities. The College will determine whether to charge a fee based on the purpose of the organization and the guidelines set forth in this policy. Payment shall be made by check payable to Suffolk County Community College or to the Suffolk Community College Association, Inc., as appropriate.

E. **Labor Charges**

Charges for technical, maintenance, security or administrative personnel as a result of the event are the responsibility of the organization. These costs will be billed to the organization separately following the event and checks for this service shall be made payable to Suffolk County Community College or the Suffolk Community College Association, Inc., as appropriate. The College will determine, in consultation with the organization, the appropriate levels of staffing required to support the proposed event.

F. **Event Publicity**

Organizations must not commit to any expenditures, prepare or send invitations or notices, or make any public announcement of the event until it has received a letter of approval from the College. In addition, any advertisements of the event must receive prior approval from the College’s Office of Institutional Advancement and must properly display the College’s official logo.

G. **College’s Right to Revoke**

The College reserves the right to revoke the permission granted for use of any College facilities or to relocate an organization to another appropriate facility should it be necessary to accommodate a change in the College’s academic or activity schedule. College events shall always take precedence over requests from outside organizations.
H. **Preservation of Order**

Organizations shall be responsible for the preservation of order at and during the event.

I. **Smoking Prohibitions**

Smoking is prohibited within campus buildings and within 50 feet of any building.

J. **Alcohol Prohibitions**

No alcoholic beverages shall be brought to or consumed on College property, except as specifically permitted under the policy adopted by the Board of Trustees entitled “Guidelines for the Consumption of Alcoholic Beverages.”

K. **No Discrimination**

Events that exclude persons on the basis of race, color, national or ethnic origin, citizenship status, sex, religion, age, disability, marital status, veterans’ status, sexual orientation or any other status protected by law or College policy are prohibited.

L. **College’s Right of Access**

The Board of Trustees, and its designees, shall have free and open access to all College facilities at all times.

M. **Permits**

To the extent permit(s) from local or state entities may be required for the function for which the College facility is sought, organizations are solely responsible for obtaining those permits and for paying any fees associated with obtaining them. Organizations will not be permitted to hold an event unless the College has received copies of all necessary permits at least two weeks prior to the event.

N. **Weather-Related Cancellations**

The College reserves the right to cancel an event due to inclement weather. If such a cancellation occurs, the fee paid by the organization shall be prorated as set forth in the Schedule of Fees adopted by the Board of Trustees.
O. Emergency Medical Coverage

The College reserves the right to require organizations to provide emergency medical coverage for events held at the Campus. Requirements for such coverage shall be determined by the College on a case-by-case basis.
