Grant Campus in Brentwood, New York; and

Whereas, the modular building provides adequate classroom space to accommodate the College’s academic and educational purposes during the College’s established daytime classroom hours; and

Now, therefore, in consideration of the promises and the mutual covenants and conditions herein contained, it is agreed by the parties hereto, as follows:

1. Inconsistent Provisions

The provisions of this Exhibit A shall prevail over inconsistent provisions of any other Exhibit, and over any other document not specifically referred to in this Sub-Lease or made part thereof by this Sub-Lease or by subsequent amendment in writing and signed by both parties except to the extent that such provisions of this Exhibit A are specifically referred to and amended or suspended by such Exhibit amendment or other document.

2. Description

During such thirty (30) day period, LIU will be given an opportunity for consultation with the College and an opportunity to cure all failures of its obligations prior to termination. b. The College and LIU will cooperate and collaborate in matters of advertising and promotion. However, neither party will use the name, trademark or logo of the other without prior written permission.

c. Any mention of the College in promotional materials or media advertising generated by or from LIU must be submitted to the College's Vice President for Institutional Advancement for prior approval.

9. Extension Beyond Option Term

A request to the College to extend the lease of the modular building from Vanguard subsequent to the expiration of the Option Term must be made by LIU, in writing, at least six (6) months prior to the expiration of the Option Term. 10. Restoration of Premises upon Termination of Lease

Except as provided in Paragraphs 14 (Assignment), 15 (Insurance) and 16 (Risk of Loss), upon termination of the Sub-Lease, LIU shall surrender the Premises in the same condition as when LIU took possession, reasonable wear and tear excepted. 11. Status of Modular Building upon Termination of Sub-Lease

In the event the modular building is to be dismantled and removed at the end of the Sub-Lease term or earlier termination of the Sub-Lease, LIU shall be solely responsible for any and all costs associated therewith. Upon termination of the Sub-Lease, should the College elect to maintain the modular building for its own use and/or for the use of a sub-tenant other than LIU, LIU shall have no obligation to bear any costs for the dismantling or removal of the modular building.
12. **Quiet Enjoyment**

The College covenants that if and so long as LIU tenders the required payments as required under this Sub-Lease and performs the covenants thereof, LIU shall peaceably and quietly have, hold and enjoy the Premises for the term herein provided, subject to the provisions of this Sub-Lease.

13. **Alterations**

LIU shall not make any alterations, installations, improvements, additions, renovations or physical changes to the Premises, or any part or portion thereof, without the prior written consent of the College, and, in accordance with the Equipment Lease, of Vanguard. Such consent shall not be unreasonably withheld.

14. **Assignment**

LIU shall not sell, convey, encumber or otherwise dispose of its interests, rights or obligations under this Sub-Lease. LIU may not assign this Sub-lease or further sublet the leased Premises until five (5) years after the Completion Date. Thereafter, LIU may assign this Sub-lease only with the prior written consent of College, which consent College agrees shall not be unreasonably withheld, delayed or conditioned, provided (i) such assignment is to an educational institution determined by College, in its reasonable judgment, to be of good repute, and (ii) the proposed assignee has a minimum net worth in excess of Three Million Dollars ($3,000,000). LIU shall provide College with the identity of the proposed assignee and reasonable biographical information, including financial statements for the proposed assignee for the three (3) preceding years.

15. **Insurance**

**a. College’s Policies**

The College shall obtain the following insurance policies. The premiums for such insurance shall be paid in equal parts by the College and LIU. The following policies and coverage represent the minimum level of insurance that is to be maintained for the life of the Sub-Lease. Additional policies may be needed by one or both of the parties hereto.

i. **Property (Rented).** Coverage shall be such that the leased Premises is insured against loss or damage caused by: (a) fire, windstorm and perils generally included under all risk coverage; (b) vandalism and malicious mischief; and (c) all other events covered by an "all risk" policy, in the amount no less than full replacement cost.

ii. **Business Interruption.** In the event that any covered peril(s) should result in an occurrence that renders the Premises unusable and results in an extended break from regular operations, coverage shall be available to ensure, at a minimum, the provision of (i) alternative accommodation; and
(ii) continuation of fixed expenses (i.e., lease payments) for the duration of the occurrence in an amount of no less than two million dollars ($2,000,000.00).

b. LIU’s Policies

LIU agrees to procure, pay the entire premium for and maintain throughout the term of this Sub-Lease, insurance in amounts and types specified by the College. Unless otherwise specified by the College and agreed to by LIU, in writing, such insurance will be as follows:

i. **Property Insurance** on an all risk basis in an amount not less than the replacement cost of LIU’s personal property and rents.

ii. **Commercial General Liability** insurance, including contractual liability coverage, in an amount not less than One Million Dollars ($1,000,000.00) per occurrence for bodily injury and property damage combined and Three Million Dollars ($3,000,000.00) annual aggregate.

iii. **Automobile Liability** insurance (if any vehicles are used by Lessor in the performance of this Sub-Lease) in an amount not less than One Million Dollars ($1,000,000) each accident for bodily injury/property damage combined.

iv. **Worker’s Compensation** and **Employer’s Liability** insurance in compliance with all applicable New York State laws and regulations and Disability Benefits insurance, if required by law. Contractor shall furnish to the County, prior to its execution of this Agreement, the documentation required by the State of New York Workers’ Compensation Board of coverage or exemption from coverage pursuant to §§57 and 220 of the Workers’ Compensation Law. In accordance with General Municipal Law §108, this Agreement shall be void and of no effect unless the Contractor shall provide and maintain coverage during the term of this Agreement for the benefit of such employees as are required to be covered by the provisions of the Workers’ Compensation Law.

c. All Policies

i. All policies providing such coverage shall be issued by insurance companies or an insurance reciprocal with an A.M. Best rating of A- or better.

ii. Each party shall furnish to the other a certificate of insurance for each such policy of insurance, evidencing compliance with the aforesaid insurance requirements. In the case of commercial general liability insurance, the College and the County of Suffolk shall be named as additional insureds and
the certificate of insurance shall evidence the College and the County’s status as additional insureds on the policy.

iii. All such Declaration Pages, certificates and other evidence of insurance shall provide for the College and the County of Suffolk to be notified in writing thirty (30) days prior to any cancellation, nonrenewal or material change in the policies. Such Declaration Pages, certificates, policies and other evidence of insurance and notices shall be mailed to the College at its address set forth in the paragraph entitled “Notice Requirements/Contact Persons” or at such other address of which the College shall have given LIU notice in writing.

iv. The College and LIU hereby waive all rights against each other as respects physical damage to the Premises to the extent such loss is covered by the insurance policy or policies herein required and such policy or policies shall be endorsed to provide a waiver of subrogation clause protecting each party from actions by any insurer for allegations of negligence or other acts that may have contributed to the damage.

v. All insurance policies which LIU and College are required to maintain under this Sub-Lease shall contain clauses or endorsements to the effect that (i) such insurance shall not be modified or canceled or allowed to expire without at least thirty (30) days' prior written notice to the other; (ii) the coverage afforded thereby shall not be affected by any work in or about the leased Premises, (iii) LIU and both College and the County of Suffolk are expressly named as Additional Insured on the other’s commercial general liability policies, which definition shall include said party’s trustees, officers, agents, representatives and employees.

16. Risk of Loss or Destruction

Any loss or damage to the Premises is to be evaluated in accordance with all applicable insurance policies maintained by the parties under this Sub-Lease. College assumes all risk of loss or damage to the Premises, from any cause whatsoever, but no such loss of or damage to the Premises, nor unfitness or obsolescence thereof, shall relieve LIU of the obligation to make Sub-Lease Payments or to perform any other obligation under this Sub-Lease. If the Premises shall be damaged or totally destroyed by fire or by all risk perils, they shall be repaired and restored by College at the cost and expense of College, up to the limit of available insurance proceeds.

The Premises involved shall be repaired to a condition which is comparable as nearly as possible to their condition immediately prior to the damage, subject to applicable law at the time.

In the event of a partial or total destruction of the leased Premises by fire or extended coverage perils, College shall diligently repair, restore or reconstruct the affected Premises, within one hundred-eighty (180) days after the receipt by College of fire
insurance proceeds, subject to unavoidable delays for a period of not exceeding forty-five (45) days, to a condition comparable as nearly as possible to the condition at the time of such destruction.

Anything contained in this Paragraph to the contrary, in the event that a total or substantial destruction occurs for any reason, but College is unable to build as large a structure as existed formerly and LIU notifies College that LIU's Board of Trustees has determined in good faith that the leasable area after reconstruction will not be sufficient to make the operation of the Premises economically viable, College may elect not to repair, restore or reconstruct the Premises by sending written notice of such election to LIU within forty-five (45) days after the destruction occurs.

If College shall so elect not to repair, restore or reconstruct, the tenancy hereby created shall cease as of the date of said destruction and there shall be no further payment or liability on the part of either party.

In such event, the property insurance proceeds shall be applied as follows: (a) payment of the cost of removing debris and other costs caused by or left by the destruction, including the demolition and removal of the Premises, (b) payment of accrued and unpaid rent, and (c) payment of the remainder to policyholder.

17. Negative Covenants

LIU and College agree not to use, suffer or permit any person to use in any manner whatsoever the Premises or any part thereof for any illegal purpose, or for any purpose in violation of any federal, state, county or municipal law, ordinance, rule, order or regulation of the College now in effect or hereinafter enacted, amended or adopted.

18. Hazardous Substances

LIU and College shall not generate, treat, store, discharge, dispose of, transport, recycle, use, reuse or handle hazardous substances or waste on the Premises. As used herein, “hazardous substances or waste” shall include, but not be limited to, any flammable explosives, gasoline, petroleum products, polychlorinated biphenyl, radioactive materials, hazardous wastes, hazardous or toxic substances, or related or similar materials, asbestos or any material containing asbestos, or any other substance or material as defined by any federal, state or local environmental law, ordinance, rule or regulations including the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C. section 9601 et seq.), the Hazardous Materials Transportation Act, as amended (49 U.S.C. section 5101 et seq.), the Solid Waste Disposal Act, as amended (42 U.S.C. section 6901 et seq.) and the regulations adopted and publications promulgated pursuant thereto.
19. Indemnification

a. Except to the extent arising out of or resulting from the negligent acts or omissions or willful misconduct of the College, its officers, agents, employees, invitees or contractors, LIU assumes all risks incidental to its use of the Premises and related College facilities and shall be solely responsible for any and all accidents and injuries to persons (including death) and property arising out of or in connection with its use of the Premises and related College facilities and hereby covenants and agrees to indemnify and hold harmless the College, its officers, employees and agents from any and all claims, suits, actions, damages and costs of every nature and description, including reasonable attorney’s fees, arising out of the negligent acts or omissions or willful misconduct of LIU, its officers, agents, employees or invitees relating to the use of the Premises and related College facilities or the violation of any law, code, order, ordinance, rule or regulation in connection therewith by LIU, its officers, agents, employees or invitees.

b. Except to the extent arising out of or resulting from the negligent acts or omissions or willful misconduct of LIU, its officers, agents, employees, invitees or contractors, College assumes all risks incidental to its use of the Premises and shall be solely responsible for any and all accidents and injuries to persons (including death) and property arising out of or in connection with its use of the Premises and hereby covenants and agrees to indemnify and hold harmless LIU, its officers, employees and agents from any and all claims, suits, actions, damages and costs of every nature and description, including reasonable attorney’s fees, arising out of the negligent acts or omissions or willful misconduct of the College, its officers, agents, employees or invitees relating to the use of the Premises or the violation of any law, code, order, ordinance, rule or regulation in connection therewith by the College, its officers, agents, employees or invitees.

c. Each party shall be responsible for any claims, liabilities, suits, proceedings or actions of any kind and of whatever name and nature as the same may relate in any manner to the use of space of the Premises and related College facilities arising from such party’s negligence or willful misconduct.

d. To the extent permitted by law, the College shall be responsible for any claims, costs, damages or injuries to persons or property of whatever kind or nature arising out of the activities or negligence of the College, its officers, agents, employees or invitees.

e. To the extent permitted by law, LIU shall be responsible for any claims, costs, damages or injuries to persons or property of whatever kind or nature arising out of the activities or negligence of LIU, its officers and employees.

General Terms and Conditions

Whereas, the College issued a Request for Proposals, advertised October 12, 2012, to design, construct and lease to Suffolk County Community College a modular classroom building for its Michael J. Grant Campus, located in Brentwood, New York (see, Exhibit H); and

Whereas, Vanguard Modular Building Systems, LLC submitted a proposal that demonstrates the best relevant experience and expertise, offers the best value to the College and will best serve the public interest;

Now, therefore, in consideration of the promises and the mutual covenants and conditions herein contained, it is agreed by the parties hereto, as follows:

1. Lessor Responsibilities
   a. The duties of Lessor shall be to provide a new, high quality modular classroom building, as described in Exhibit B, entitled "Description of Modular Building and Scope of Services," which shall comply with all applicable building code provisions.
   b. The Equipment shall be delivered, constructed, assembled and installed to a completely operational building structure at the College's Michael J. Grant Campus, Crooked Hill Road, Brentwood, New York at the site described in Exhibit C, entitled "Plans and Drawings."
   c. All transportation and installation costs incurred by Lessor for the delivery and installation of the Equipment shall be borne by Lessor.
   d. Lessor shall perform such services as may be necessary to accomplish the work required to be performed under and in accordance with this Lease.
   e.    f. The provisions of this Exhibit A shall prevail over inconsistent provisions of any other Exhibit, and over any other document not specifically referred to in this Lease or made part thereof by this Lease or by subsequent amendment in writing and signed by both parties except to the extent that such provisions of this Exhibit A are specifically referred to and amended or suspended by such Exhibit amendment or other document.

2. Term, Lease Commencement Date and Extension of Lease After Option Term
   a. This Lease shall cover the Initial Term and Option Term (or Year 10 Expansion
Option Term), as provided on the first page hereof, unless sooner terminated as
provided in Paragraph 6 below, entitled "Lease Subject to Appropriation of Funds."

b. The Initial Term shall commence upon a date certain ("Commencement Date") which
shall be within ten (10) days from the date upon which a Certificate of Occupancy (or
Temporary Certificate of Occupancy) is issued by the Suffolk County Department of Public
Works, provided the College has indicated its acceptance of the Equipment by executing a
Delivery and Acceptance Certificate in substantially the form provided in Exhibit D. The
Initial Term shall terminate on the tenth (10th) anniversary of the Commencement Date.

c. The Option Term (or Year 10 Expansion Option Term) shall commence upon the ten (10)-year
anniversary of the Commencement Date, and shall terminate five (5) years thereafter. If Lessee, in its
sole and absolute discretion, elects to exercise its option to renew the lease for the Option Term,
Lessee shall notify the Lessor, in writing, at least one hundred twenty (120) days prior to the date
the Initial Term ends.

d. If Lessee, in its sole and absolute discretion, elects to exercise its option to renew the lease for
the Year 10 Expansion Option Term, Lessor shall expand the Modular Building in accordance with
all plans and specifications detailing such expansion, and as identified in drawings specified as A5
and A6, each dated January 7, 2013, attached hereto as Exhibit I ("Plans and Drawings of Year 10
Expansion"). In order to exercise said option to renew the lease for the Year 10 Expansion Option
Term, Lessee shall notify the Lessor, in writing, at least one (1) year prior to the date the Initial
Term ends. Upon such notice, Lessor shall commence expansion as per Exhibit I, and such
expansion shall be complete, such that Lessee shall have full use of the Equipment, by the
first (1st) anniversary of such notice.

e. The Parties, at the end of the Option Term or Year 10 Expansion Option Term, may
mutually agree, in writing, to a further lease term extension. If Lessee wishes to extend the
lease term, Lessee must notify the Lessor, in writing, at least one hundred twenty (120) days
prior to the date the Option Term or Year 10 Expansion Option Term ends. If Lessor agrees
to grant such extension, Lessor shall offer to Lessee, in writing within thirty (30) days of

e. The Lease payments payable to Lessor under this Lease are exclusive of federal, state and local taxes, the College being exempt from payment of such taxes.

4. **Dismantle and Return of Equipment**

a. Upon termination, or at the end of the Initial Term, Option Term, Year 10 Expansion Option Term, or any subsequent extension of the Lease term, Lessor shall dismantle and remove the Equipment, including any above-grade improvements/attachments, foundation piers, concrete decks and ramps, and canopies, cap utilities and shall restore surface of the site beneath the building. Lessee is responsible for all other site restoration at the end of the Lease. The removal of any below-grade improvements/attachments, footings or other site installed below-grade items is excluded from Lessor’s scope of work as provided in this paragraph.

b. Lessee is responsible for payment to Lessor for such dismantling and removal of Equipment in the amount of (a) $425,000.00, should this Lease terminate after the Initial Term; (b) $450,000.00, should this Lease terminate after the Option Term; or (b) $495,000 should this Lease terminate after the Year 10 Expansion Option Term.

c. At Lessee’s sole option and directive, Lessor shall remove any or all below-grade improvements/attachments, footings or other site installed below-grade items for an additional charge to be determined on the basis of Cost plus Eleven Percent (Cost + 11%).

5. **Utilities and Assessments**

During the Initial Lease Term and Option Term (or Year 10 Expansion Option Term), Lessee shall be solely responsible for the payment of all utilities, including water, gas and electricity, as well as all other charges and fees associated with, or the result of, the equipment being leased and/or being placed on the real property stipulated in this Lease.

6. **Lease Subject to Appropriation of Funds**

a. It is understood by the parties hereto that this Lease is made subject to the amount of funds appropriated therefore and any subsequent modifications thereof for the period of this Lease by the Suffolk County Legislature, and no liability on account thereof shall be incurred by the College or County beyond the amount of funds appropriated by the aforesaid Legislature for this purpose.

b. The College reasonably believes that funds can be obtained sufficient to make all Lease Payments during the Lease term and hereby covenants that it will do all things lawfully within its power to obtain, maintain and properly request and pursue funds from which the Lease Payments may be made, including making provisions for such payments to the extent necessary in each budget submitted for the purpose of obtaining funding, using its bona fide best efforts to have such portion of the budget approved and exhausting all available administrative reviews and appeals in the event such portion of the budget is not approved.
It is the College’s intent to make Lease Payments for the full Lease Term if funds are legally available therefore and in that regard the College represents that the use of the Equipment is essential to its proper, efficient and economic operation. Lessor and College understand and intend that the obligation of the College to pay Lease Payments hereunder shall constitute a current expense of the College and shall not in any way be construed to be a debt of the College or County in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness by the College, nor shall anything contained herein constitute a pledge of the general tax revenues, funds or monies of the College.

c. Notwithstanding anything contained in this Lease to the contrary, in the event no funds or insufficient funds are appropriated and budgeted or are otherwise unavailable by any means whatsoever in any fiscal period for Lease Payments due under this Lease, the College shall immediately notify Lessor or its assignee of such occurrence and this Lease shall terminate on the last day of the fiscal period for which appropriations were received without penalty or expense to the College of any kind whatsoever, except as to the Dismantle Fee and the portions of Lease Payments herein agreed upon for which funds have been appropriated and budgeted. In the event of such termination, the College agrees to peacefully surrender possession of the Equipment to Lessor or its assignee on the date of such termination. Lessor will have all legal and equitable rights and remedies to take possession of the Equipment. Notwithstanding the foregoing, the College agrees:

i. that it will not cancel this Lease under the provisions of this Section if any funds are appropriated to it, or by it, for the acquisition, retention or operation of the Equipment or other Equipment performing functions similar to the Equipment for the fiscal period in which such termination occurs or the next succeeding fiscal period thereafter, and

ii. That it will not during the Lease Term give priority in the application of funds to any other functionally similar Equipment.

This paragraph will not be construed so as to permit the College to terminate this Lease in order to acquire or lease any other Equipment or to allocate funds directly or indirectly to perform essentially the same application for which the Equipment is intended.

7. Insurance

a. **Lessor’s Insurance.** The Lessor agrees to procure, pay the entire premium for and maintain throughout the term of this Lease, insurance in amounts and types specified by the College and/or County and as may be mandated and increased from time to time. Except for Owner’s and Contractors’ Protective Liability and Builders Risk property insurance, the Lessor agrees to require that all of its subcontractors, in connection with work performed for the Lessor related to this Lease, procure, pay the entire premium for and maintain throughout the term of this Agreement insurance in amounts and types equal to that specified by the College and/or the County for the Lessor. Unless otherwise specified by the

iv. **Owner's and Contractors' Protective Liability (OCP)** insurance in an amount not less than One Million Dollars ($1,000,000) combined single limit for bodily injury and property damage per occurrence and covering the liability of the College, all its employees (including but not limited to the Vice President for Business and Financial Affairs), the County of Suffolk and all its employees, both officially and personally, with respect to all work under this Agreement performed by Lessor or by its subcontractors, including omissions or supervisory acts of the College, its employees, the County of Suffolk or its employees. Lessor shall provide evidence of OCP insurance within ten (10) days of execution of the Lease, and the policy shall remain in effect until the "Commencement Date" of this Lease, as that term is defined in paragraph 2(b) herein. 8. **Not in Default**

Lessor warrants that it is not in arrears to the College or the County of Suffolk upon debt or contract and is not in default as a surety, contractor or otherwise on any obligation to the College or the County of Suffolk.

9. **Financial Disclosure**

Lessor represents and warrants that, unless exempt, it has filed with the Comptroller of Suffolk County the verified public disclosure statement required by Suffolk County Administrative Code, Section A5-7, and shall file an update of such statement with the Comptroller on or before the 31st day of January in each year of this Lease's duration. Lessor acknowledges that such filing is a material, contractual and statutory duty and that the failure to file such statement shall constitute a material breach of this Lease, for which the College shall be entitled, upon a determination that such breach occurred, to damages, in addition to all other legal remedies, of fifteen percent (15%) of the amount of the Lease.

10. **Gratuities**

Lessor represents and warrants that it has not offered or given any gratuity to any official, employee or agent of Suffolk County or New York State or of any political party, with the purpose or intent of securing a lease or securing favorable treatment with respect to the awarding or amending of a lease or the making of any determinations with respect to the performance of a lease, and that the signer of this Lease has read and is familiar with the provisions of Local law No. 32-1980 of Suffolk County (Chapter 386 of the Suffolk County Code).

11. **Independent Contractor**

It is expressly agreed that Lessor's status hereunder is that of an independent contractor.
Neither Lessor nor any person hired by Lessor shall be considered employees of the College for any purpose.

12. Site Requirements

Unless provided otherwise in the Lease, Lessee shall be responsible for furnishing a suitable site for the Equipment. To be considered suitable, the Lessee must provide a site that is firm, fairly level, and clear of obstructions above and below the ground, and with suitable natural soils providing a soil compaction as required by local building codes. In the event that the natural soil bearing capacity of the soil beneath the building does not meet a minimum of 3,000 psf, the building and foundation system will be modified by Lessor at no additional cost to Lessee. Lessor excludes rock. If rock is encountered, Lessee shall be responsible for the additional cost to remove it.

13. Assignment or Sublease of Equipment

a. Lessor expressly authorizes Lessee to sublet the Equipment to Long Island University, a New York State not-for-profit educational corporation, having an office at 700 Northern Boulevard, Brookville, New York 11548-1327. A copy of the Sub-Lease Agreement, and any subsequent addenda, changes or renewals, between the College and Long Island University shall be provided to Vanguard.

b. Without Lessor's prior written consent, which consent shall not be unreasonably withheld, the College shall not assign, transfer, pledge, hypothecate, grant any security in or otherwise dispose of this Lease or the Equipment, nor sublet or lend the Equipment or permit it to be used by anyone other than the College or Long Island University.

c. Lessor may assign its rights, title and interest in and to this Lease, the Equipment and any documents executed with respect to this Lease and/or grant or assign a security interest in this Lease and the Equipment, in whole or in part and the College's right will be subordinated thereto. Any such assignees shall have all of the rights of Lessor under this Lease. Subject to the foregoing, this Lease inures to the benefit of and is binding upon the heirs, executors, administrators, successors, and assigns of the parties hereto. Upon assignment of Lessor's interests herein, Lessor will cause a timely written notice of assignment to be sent to the College which will be sufficient if it discloses the name of the assignee, the written acceptance of the assignment by the assignee, and address to which further payments hereunder should be made. The College covenants and agrees with the Lessor and each subsequent assignee of the Lessor to maintain for the full term of this Lease a written record of each such assignment and reassignment. In compliance with Section 149 (a) of the Internal Revenue Code, the College agrees to affix a copy of each notification of assignment to its counterpart of the Lease. The College hereby designates Lessor to be its agent for the purposes of maintaining a book entry system identifying the ownership of interests in and to this Lease and the Lessor hereby accepts its duties as agent hereunder.
14. **Severability**

It is expressly agreed that if any term of provision of this Lease, or the application thereof to any person or circumstance, shall be held invalid or unenforceable to any extent, the remainder of this Lease, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby; and every other term and provision of this Lease shall be valid and shall be enforced to the fullest extent permitted by law.

15. **Licenses and Certificates**

After installation of the Equipment, Lessee shall ensure that the building is in compliance at all times with all applicable ordinances. Lessee shall secure any necessary zoning permits, if required, in order for Lessor to obtain building permits. Lessor shall procure and maintain all permits required for the project, including the building permit and Certificate of Occupancy. Lessee shall be responsible for the cost of the building permit, unless such fee is waived.

16. **Warranty and Maintenance**

a. The Lessor grants the Lessee its Warranties and Maintenance Agreement, Special Edition, Suffolk County Community College (11-19-2012) (hereinafter “Warranty and Maintenance Agreement”), attached hereto and made a part hereof as Exhibit F.

b. The terms of this Warranty and Maintenance Agreement shall remain in force throughout the duration of the Initial Term and Option Term (or Year 10 Expansion Option Term).

c. Lessor guarantees that in the event that the Lessor assigns the lease to a third party, unrelated to the Lessee, as a result of the sale or other disposition of the building, Lessor shall either (i) continue to administer the Warranty and Maintenance Agreement at Lessor’s own cost and expense through the remaining Initial Term or Option Term (or Year 10 Expansion Option Term), as applicable; or (ii) ensure that the assignee administers the Warranty and Maintenance Agreement at its own cost and expense throughout the remaining term of the Initial Term or Option Term (or Year 10 Expansion Option Term), as applicable. If any such assignee fails to so administer the Warranty and Maintenance Agreement as provided herein, Lessor shall remain responsible to honor and comply with said Warranty and Maintenance Agreement.

d. Lessee shall use the Equipment in a careful manner for the use contemplated by the manufacturer of the Equipment and shall comply with all laws, ordinance, insurance policies and regulations relating to such use. Except for ordinary wear and tear, and except as provided in the Warranties and Maintenance Agreement, described in Exhibit F, the Lessee, at its sole expense, shall be responsible for providing all labor, materials and equipment necessary to keep the Equipment clean and in good repair and operating condition. In addition to any other Lessee maintenance responsibilities outlined under this Lease, maintenance by Lessee shall include, janitorial maintenance, light bulb replacement, gutter and downspout cleaning and maintenance, and maintenance and replacement of HVAC filters, as well as maintaining proper thermostat
settings, in accordance with manufacturers’ recommendations. Under no circumstance shall Lessor be responsible for maintenance work or repairs, or the consequence of such maintenance work or repairs, performed by Lessee, including Lessee’s employees, agents, representatives, contractors and subcontractors unless said work is the Lessor’s responsibility under the Warranties and Maintenance Agreement and Lessor has failed or refused to perform the work.

e. Reporting Leaks. It is the responsibility of the Lessee to timely report to Lessor all leaks to the Equipment, including (i) plumbing leaks within the building, and (ii) all water leaks including, but not limited to, leaks at the roof and windows. Lessor shall make all necessary repairs related to such leaks within a reasonable period of time after such notification.

f. Lessor shall provide, at no additional cost to Lessee, annual testing and maintenance of the fire alarm system for the first five (5) years of the Lease. At the end of the first five years, Lessee assumes all responsibility for annual testing and maintenance of the fire alarm system.

17. Title to Equipment; Security Interest

During the term of this Lease Agreement, title to the Equipment and any and all additions, repairs replacements or modifications thereof, will rest in Lessor, subject to the rights of the Lessee under this Lease. In the Event of Default as set forth in Paragraph 20, entitled "Event of Default", or as set forth in Paragraph 6, entitled "Lease Subject to Appropriation of Funds," the Lessee will peacefully surrender possession of the Equipment to Lessor. Lessor shall have and retain a security interest under the Uniform Commercial Code in the Equipment, the proceeds thereof and any and all repairs, replacements or modifications thereto, in order to secure the Lessee’s payments of all Lease Payments and the performance of all other obligations of the Lessee under this Lease. If requested by Lessor, the Lessee agrees to execute such additional documents including financing statements, affidavits, notices and similar instruments, in a form satisfactory to Lessor which Lessor deems necessary or appropriate to protect its interest in the Equipment and in this Lease.

18. Alterations

Lessee will not make any alterations, additions or improvements to the Equipment without Lessor’s prior written consent, unless such alterations, additions or improvements may be readily removed without permanent damage to the Equipment.

19. Lessor’s Access to the Equipment

During reasonable business hours, Lessor shall be given right of entry to the Equipment, for the purpose of inspection, evaluation, assessment, repairs and/or upgrades of the Equipment. Lessor shall give Lessee a prior forty-eight (48) hour notice of Lessor’s intention to access the Equipment.

20. Risk of Loss; Damage; Destruction

Except for (a) damage to property, equipment, and injury to persons which are directly caused by Lessor’s negligence, and (b) Lessor’s obligations under the Warranty and Maintenance Agreement, Lessee assumes all risk of loss or damage to the Equipment from any cause whatsoever, and no such loss of or damage
to the Equipment, nor unfitness or obsolescence thereof, shall relieve the College of the obligation to make Lease Payments or to perform any other obligation under this Lease. In the event of damage to any item of Equipment, the College will immediately place the same in good repair with the proceeds of any insurance recovery applied to cost of such repair. If Lessor determines that the Equipment is lost, stolen, destroyed or damaged beyond repair, the Lessee will replace the same with like equipment in good repair, at replacement value, up to the limit of available insurance proceeds.

21. Subordination, Non-Disturbance and Attornment

a. Lessee warrants that it holds such title to or other interest in the premises and other property as is necessary to the Lessor’s access to the premises. Lessee agrees, in consideration of the warranties and conditions set forth in this clause, that this lease is subject and subordinate to any and all chattel mortgages, financing statements and other security agreements now or hereafter existing or imposed upon the premises by any lender of the Lessor, and to any renewal, modification or extension thereof. It is the intention of the parties that this provision shall be self-operative and that no further instrument shall be required to effect the present or subsequent subordination of this lease.

b. No such subordination, to either existing or future chattel mortgages, financing statements or other security agreements, shall operate to affect adversely any right of the Lessee under this lease so long as the Lessee is not in default under this lease. Lessor will include in any future chattel mortgages, financing statements or other security agreements to which this lease becomes subordinate, or in a separate non-disturbance agreement, a provision to the foregoing effect. Lessor warrants that the holders of all obligations secured by existing chattel mortgages, financing statements or other security agreements have consented to the provisions of this clause, and agrees to provide true copies of all such consents to the Lessee promptly upon demand.

c. In the event of foreclosure or default of any chattel mortgages, financing statements or other security agreements, Lessee will be deemed to have attorned to any transferee of the premises or any portion thereof and its successors and assigns, and any such transferee will be deemed to have assumed all obligations of the Lessor under this lease, so as to establish direct privity of estate and contract between the Lessee and such transferee, with the same force, effect and relative priority in time and right as if the lease had initially been entered into between such transferee and the Lessee, provided, further, that the Lessee and transferee shall, with reasonable promptness following any such foreclosure or default, execute all such revisions to this lease, or other writings, as shall be necessary to document the foregoing relationship.

22. Force Majeure

The Lessor shall not be responsible for delays caused by events which are beyond Lessor’s control including, but not limited to, Acts of God, strikes, weather, and acts of terrorism certified by the United States government.
23. **Indemnification**

a. The Lessor agrees that it shall protect, indemnify and hold harmless the College and/or County and their officers, officials, employees, contractors, agents and other persons from and against all liabilities, fines, penalties, actions, damages, claims, demands, judgments, losses, costs, expenses, suits or actions and reasonable attorneys’ fees, arising out of the acts or omissions or the negligence of the Lessor, its agents, employees, subcontractors, officers, and officials in connection with the services described or referred to in this Agreement. The Lessor shall defend the College and /or County and their officers, officials, employees, contractors, agents and other persons in any suit, including appeals, or at the College and /or County’s option, pay reasonable attorney’s fees for defense of any such suit arising out of the acts or omissions or negligence of the Lessor, its officers, officials, employees, subcontractors or agents, if any, in connection with the services described or referred to in this Agreement.

b. In addition to any other indemnities set forth in this Lease, Lessee does hereby indemnify and hold Lessor harmless from and against any and all liabilities, losses, damages, penalties, claims, suits, actions, expenses, and cost including, but not limited to, attorney fees and court cost incurred by or asserted against Lessor, which results directly from Lessee’s acts, omissions, obligations, or duties under this Lease, and /or any breach or default of Lessee hereunder.

24. **Personal Property**

The Equipment is and will remain personal property and will not be deemed to be affixed or attached to any real property, or to any building thereon.

25. **Liens and Taxes**

The College shall keep the Equipment free and clear of all levies, liens and encumbrances, except those created under this Lease.

26. **Event of Default**

g. Lessee or Lessor permits an attachment, levy or execution threatened or levied upon or against the Equipment.

27. Termination for Cause and Remedies

a. This Lease may be terminated, in whole or in part, in writing in the Event of Default, as provided herein at paragraph 26; provided that no such termination shall be effective unless the other party is given ten (10) calendar days' written notice of intent to terminate ("Notice of Intent to Terminate"), delivered personally or by certified mail, return receipt requested. During such ten (10) day period, the party alleged to have been in Default will be given an opportunity for consultation with the other party and an opportunity to cure all failures of its obligations prior to termination. Prior to issuance of a written termination notice ("Termination Notice"), the alleged defaulting party shall be given an additional five (5) days to cure all failures to fulfill its obligations under this Lease. In the event that said party has not cured all its failures to fulfill its obligations to the satisfaction of the Lessee by the end of the combined fifteen (15) day period, a Termination Notice may be issued, effective at the completion of the semester in which it is issued or within ten (10) days of its issuance, whichever is later.

   b. The modular building is comprised of sixteen (16) classrooms, one (1) computer classroom, an entrance lobby, a lounge, associated faculty, administrative offices and spaces, restrooms, storage rooms and assorted building systems rooms. The modular building provides utility connections, concrete sidewalks, landscaping, exterior lighting, and a fire alarm system fully equipped with public address capabilities.
