Construction work in the field house can begin on July 16, 2014 and be completed on August 22, 2014. The College is fully authorized and empowered to deduct and retain the amount of all damages determined as hereinafter stipulated for each calendar day that the Contractor is late in completing the work, from any moneys due or to become due to the Contractor under the provisions of the Contract, at any time after such damages are so incurred. In the event such damages exceed the amount of all moneys due or to become due, the Contractor or his surety shall pay the balance to the College.

c. The Contractor waives any objection as to the reasonableness or validity of this provision, and hereby acknowledges that said provision constitutes a reasonable forecast of the actual harm that the College may sustain as a result of a delay.

e. For each calendar day that any work shall remain uncompleted after the contract date specified for completion of work provided for in the contract, the sum specified in the contract will be deducted from any money due the Contractor, not as a penalty but as liquidated damages provided however that due account shall be taken of any adjustment of the contract time for completion of the work as provided for elsewhere in the General Conditions.
