The next part shows what courses a student has completed and/or is taking in the current semester.

Required Courses Taken – shows courses completed and In Progress (IP) counting toward degree

Other Courses Taken – shows courses taken outside of requirements – this student completed the **same** gym twice. An incomplete grade (INC) will also show here until a grade is entered.

Withdrawn/Failed –

Currently Taking – shows the courses a student is currently enrolled in. Also shows if the course is required for the curriculum, is financial eligible, and if it is a repeat or not.   Assuming this is a full-time student taking a Theatre course outside of his/her curriculum, the student will **lose** financial aid if the course is not changed. For full-time students, **12 credits must count toward degree program for financial aid eligibility**. (For part-time students, the criteria varies.) The only time an **N** in **Counts in Program** is ok, is for the developmental coursework. If an **N** is present in a college level course, advise students to contact the Counseling Center/Student Success Center for clarification.

The next section **Courses Needed** lists all requirements a student still needs to complete

It is best to read each **AREA:** on its own. The first credit listing (see first arrow below)will always show the total credit requirements for its specific area. The second credit listing (see second arrow below) lists the number of credits remaining for the area.

If the requirement is listed on the left of the screen, a specific course is required

If the requirement is listed under Course Attributes or Other Requirements, multiple choices are available. Click on the course listed to see the selection

Courses Needed

AREA: LA General Studies-Required (12.000 credits) ←
Four courses required. Must Take: ENG102; COM101 or COM105; HIS101 or IND101; HIS102 or IND102.
Select 6 credits from: ←

Subject	Crse Num	Title	Course Attributes	Other Requirements	Credits
ENG	102	Introduction to Literature			3
				R-HIS/IND1	3

AREA: English Electives (3.000 credits)
One course required above ENG102.
Select 3 credits from:

Subject	Crse Num	Title	Course Attributes	Other Requirements	Credits
			ENG		3

The last section contains degree credit requirements and completions. Some students misinterpret this information, believing that if the credits line up they may graduate without finishing the coursework.
 Remind the student that the credits requirements are guidelines only and in order to receive a degree **all required coursework** must be completed.
