Officer's Elected

Elections were held to fill all officer positions at the first meeting of this semester. Now we have our officers in place and we are ready to get down to business.

The first order of business was to obtain a copy of our Legal Society Constitution. This document will be handed out to all members at the February 27th meeting. Please, if you would like a copy and missed the meeting contact Brenda Ohlmstein and she will be happy to provide you with a copy.

Steve Radosta will be representing the Legal Society as a member of Club Board. As Co-Vice President of the Legal Society, he was voted by the other members of Club Board as Club Relations Chair.

Please, if anyone has any suggestions on what they would like to see at the meetings feel free to let the officers know. If you know of someone who would like to speak at our meetings let Jenni Cummings know.

We have much to look forward to this semester. From guest speakers to the Symposium.

This is your club and it is what we all make it. Let's work together, be active participants and see what we can do together to make this a semester to remember.

Central Islip Court Tour

Last semester, on October 24, 2007, the Legal Society visited the District Court in Central Islip. We had such a wonderful time that there were many requests to take the trip again this semester. Major Len Badia has kindly agreed to take us on another exciting tour of the courthouse this April 2nd. If you weren't able to make it last time, here is your chance to experience what you missed! Major Len Badia is planning an exciting day for us. We will get to watch the arraignment process unfold before us in the courtroom. Then afterward, Major Badia will take us on an exciting personal tour of the holding cells. Not only is this trip informative, but is a lot of fun too. This should not be missed! Thank you to Dyan Connelly for this story and for working with Major Badia to organize this trip.
The Legal Society is a club open to all students who are interested in Paralegal Studies or any form of law. The club meets weekly on Wednesdays during common hour at 11:00 AM in room 237. Each week a guest speaker visits to talk about their role in the legal field. In the past we have had Paralegals speak of their experience in many areas of the legal field including litigation, legal research and the federal government. We have also had court officers come in and speak about their experience in the court houses and discussing such topics as the Fourth Amendment.

Prosecutor: Did you kill the victim?
Defendant: No, I did not.
Prosecutor: Do you know what the penalties are for perjury?
Defendant: Yes, I do. And they're a hell of a lot better than the penalty for murder.
