

Using Photoshop to Enhance Your Photos

Learn how to use *Adobe Photoshop* to apply simple edits to your photos that will finally get them out of your digital camera or shoebox and into a frame! Alexandra Belanich, Grant Campus TLC Professional Assistant, will demonstrate easy ways to color-correct, adjust brightness and contrast, sharpen, get rid of red-eye and blemishes, straighten, and restore photos with tears or scratches. Both original and edited images will be shown which will further demonstrate the powers of this wonderful tool. Whether you are passionate about photography, or are just a casual shooter, this workshop will show you how to improve your photos tremendously.
